The U.S. Army Chorale

Chosen for their musical showmanship, the men and women of The U.S. Army Chorale combine the best elements of the popular music and show choir mediums to create a program of unique entertainment.

Known for their versatility, the members of The Army Chorale perform the latest pop/rock hits to classic standards to their well-known patriotic show pieces. Beyond the scope of support for our nation's executives, senior Army leadership and their foreign diplomatic guests, The Army Chorale is recognized as a driving force in the vocal music world.

The ensemble's experience includes performances at music educator conferences, prestigious music institutions and camps, as well as live national television broadcasts. Recently, members of The Army Chorale have performed for such events as the Texas Choral Directors Association conference, the dedication of the World War II Memorial, and the State Funeral of President Ronald Reagan.

Whether performing for the President of the United States or for local high school students, The Army Chorale continues to be recognized as the premier vocal entertainment ensemble of the United States Army.
